"Publishing Ideas, Shaping Futures"

## Lyceum India Research

(A Unit of Lyceum India)

**Lyceum India Research** is dedicated to advancing academic excellence by providing a wide range of professional services to students, scholars, researchers, and institutions. Our mission is to support the research community with high-quality, ethical, and affordable academic assistance that enhances the visibility, credibility, and impact of scholarly work.

### Scope of Work

#### 1. Social Science Research Services

- Guidance and support in developing research proposals.
- Data collection, analysis, and interpretation using both qualitative and quantitative methods.
- Customized research reports and project documentation.
- Training workshops on research methodology and academic writing.

#### 2. Thesis/Dissertation to Book Conversion

- Transformation of academic theses and dissertations into publishable books.

**P.T.O >**

- Structuring, editing, and formatting manuscripts to meet international publishing standards.
- Assistance in selecting suitable titles and ISBN registration.
- Publication through **Lyceum Publications**.

### **3. Thesis/Article Writing Support**

- Assistance in conceptualizing and structuring research papers.
- Academic editing, proofreading, and formatting as per journal requirements (APA, MLA, Chicago, etc.).
- Language polishing for clarity, conciseness, and academic tone.
- Support for conference papers, review articles, and case studies.

### **4. API Score Calculation (UGC/Academic Performance Indicator)**

- Professional assistance in calculating API scores for faculty members.
- Documentation support and preparation of score sheets as per UGC norms.
- Advisory services to enhance academic profile for promotions and career advancement.

### **5. Plagiarism Detection and Removal**

- Comprehensive plagiarism screening using advanced plagiarism detection tools.
- Detailed similarity reports with percentage scores.
- Removal of plagiarized content through paraphrasing, rewriting, and referencing.
- Training sessions on plagiarism ethics and academic integrity.

**P.T.O >**

## 6. Editing, Proofreading & Formatting

- Academic editing for theses, dissertations, and journal articles.
- Formatting services as per institutional and publisher guidelines.
- Reference management support.

### Our Core Principles

- **Ethical Practice:** We provide support without engaging in unethical practices such as ghost-writing or falsification of data.
- **Confidentiality:** All manuscripts, data, and personal information are kept strictly confidential.
- **Quality Assurance:** Every document undergoes multiple levels of quality checks before final delivery.
- **Affordability:** Services are designed to be accessible for students and researchers at all levels.

### Target Audience

- Postgraduate and doctoral students.
- Faculty members and early-career researchers.
- Independent scholars and research professionals.
- Academic institutions, think tanks, and NGOs in social sciences.

### Benefits of Choosing Lyceum India Research

- End-to-end academic support under one roof.
- Personalized mentorship for researchers.
- Access to professional editors, subject experts, and publishing consultants.
- Opportunity for book/journal publication through Lyceum Publications.

# Service Packages & Rates

To make our services accessible and transparent, Lyceum India Research offers flexible service packages designed for students, researchers, and faculty members. Each package is customizable according to the specific requirements of the client.
